

Grant Writing Assistance Program Interest Form

Return this form to ctzeng@wrcog.us or complete an [online form](#) as soon as possible.

- The funds available to support this pilot round of the Grant Writing Assistance Program (Program) will be distributed on a first-come first-served basis.
- The grants eligible for assistance have varying timetables throughout the year.
- To ensure equitable distribution of assistance, complete the below table to indicate potential interest in receiving support for a specified grant funding category/categories, tentatively reserving your agency's place in line for grant writing assistance.
- In the table below, please check up to two grant areas your agency might be interested in applying for assistance through the Program. If selecting two, please rank your order of preference for assistance by checking the appropriate box.
- WRCOG staff will use the form to assign the most equitable distribution of resources possible.
- Please note: Not submitting this form will NOT preclude your agency from requesting grant writing assistance later. And, submitting the form will NOT guarantee assistance.
- A [Grant Writing Assistance Application](#) (Application) will be required, with as much advance notice of the due date as possible. Consultants will use discretion to determine if there is sufficient time to prepare a competitive grant application, based on when the Application is received.
- For more information, please refer to the [Program Guidelines](#).
